Jim,

Dugout Task #3025 has been completed. Priscilla has identified some deficiencies that need to be addressed.

Priscilla and I were the only reviewers for this task. Our memo's as well as the deficiency letter can be found in the working group folder: O:\007039.DUG\DRAFT\WG3025.

Once you get a chance to review the memo's and the deficiency letter, it'll be good to go. Let me know if you have any questions.

Thanks,  
Steve
